(c) and (d) One price has been fixed for M/s. Synbiotics Ltd. and one for the other producers under the Drugs (Prices Control) Order, 1979. Retention prices are fixed based on costs under Paragraph 4 and Paragraph 7 of the Drugs (Prices Control) Order, 1979.

(e) Different retention prices of Streptomycin have been in vogue right from the inception of Drugs (Prices Control) Order, 1979. The fixation of pooled price/common sale price for Streptomycin ensures that TB patients get the formulations at fair and reasonable price. Those having retention price higher than the common sale price/pooled price are paid subsidy from the Drug Prices Equalisation Account.
